9780394544885: All Fall Down: America's Tragic Encounter With Iran. A former naval intelligence officer and National Security Council staff member provides a day-to-day account of the Iranian revolution, the hostage crisis, and the American hostages. Synopsis: This book is the definitive chronicle of America's disastrous confrontation with Iran during the Iranian revolution and the hostage crisis. It is also a day-by-day account of the events leading up to the hostage crisis, including the negotiations and the political maneuvering. The book provides a detailed account of the American government's response to the crisis and the role of the American media in shaping public opinion. It also explores the impact of the crisis on American foreign policy and the future of relations between the United States and Iran.
